

## Recycling Program

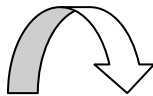

*doing a little is doing a lot*

*“Small steps yield huge benefits for our environment: 75 – 90% of household materials are recyclable. **YOU** can make a difference by participating!” – Mayor Chris McBarnes*

The Frankfort Street Department collects recyclables curbside every Wednesday. It’s single stream recycling (all items can be mixed together) so no sorting is necessary! Put your bagged recyclables at your curb anytime between 7:00 p.m. Tuesday night - 7:00 a.m. Wednesday morning.

Have more to recycle between Wednesdays? Drop items off at the Street Department (905 Burlington Avenue) Monday – Friday, 8:00 a.m. – 4:00 p.m. and from 8:00 a.m. – noon on the first and third Saturdays.

*Examples of common recyclables:*

### Paper

newspapers and magazines  
paper bags, junk mail,  
office and school papers

### Metal

soup cans,  
canned vegetable cans

### Glass

clear, brown, green  
glass containers  
\*don't have to remove labels

### Plastics

water bottles,  
laundry detergent bottles,  
milk jugs

### Cardboard

pizza boxes, cereal boxes,  
shipping boxes

### Aluminum

soda cans,  
pie pans, aluminum foil
