Frankfort, IN – The City of Frankfort Street Department will prepare for milling and paving next week with E&B Paving. Milling will begin on Magnolia Avenue and Morris Street on Tuesday, August 20th.

“I want to urge the community to be patient and to avoid the construction zones as much as possible. We will be working on trimming trees and putting out no parking signs on Monday,” state Street Superintendent, Jason Forsythe. If you have on street parking, cars will be towed if they aren’t moved when milling and paving work begins.

Mayor Judy Sheets, the Board of Public Works, and Street Superintendent Jason Forsythe approved the total of \$668,441.00 in the spring of 2024 for these street projects:

- Magnolia Avenue from Barner Street to US 421/Rossville Avenue
- Walnut Avenue from Affordable Auto to Deadend
- Burlington Avenue - 254 ft south of Green Street
- Morris Street from Barner Street to Green Street
- Hoke Avenue from Washington Avenue to Ohio Street
- McCarty Street from Hoke Avenue to Beard Street
- Harvard Terrance from Clay Street to Williams Road
- Crescent Drive from State Road 28/Wabash to Crescent Court
- Catterlin Street from Washington Avenue to East Green Street
- O’Neil Street from East Armstrong Street to East Boone Street
- Elmwood Drive from Clay Street to Deadend
- Fisher Street from Clay Street to Deadend

Reith- Riley were awarded \$83,690 for additional paving projects. They will begin milling and paving once E&B Paving projects are completed:

- Frankfort TPA Park pathways
- Pratt Street from Morrison to Barner Street
- West Paris Street from Rossville Avenue to Myrtle Avenue

This list does not reflect the order in which work will be completed. For updated information, visit the City of Frankfort or Frankfort Street Department Facebook page.
