July 7, 2025

For Immediate Release:

On Saturday July 5, 2025 the Frankfort Fire Department A Crew responded to the report of a structure fire at 1252 Hawthorne Avenue in Frankfort. Upon arriving Engine 3 reported heavy smoke and flames were visible coming from the rear of the garage. Engine 2, Engine 1, Ladder 1, and Command 1 arrived shortly after and fire ground operations initiated. The crew stretched lines, established a supply line from a nearby hydrant, and quickly extinguished the flames. Because of the fast response and skill of the firefighters the damage from the fire was limited to an addition on the rear of the garage. The Frankfort Police Department and Clinton County EMS provided much needed assistance to the response.
