**FRANKFORT, IN** – October 8, 2025 – The City of Frankfort is calling on all residents, business owners, and stakeholders to participate in a vital community survey as part of its application for the OCRA Community Development Block Grant (CDBG) Planning Grant. The grant will fund the creation of a new Comprehensive Plan, which will guide the City's growth and development for years to come.

This survey is a critical component of the grant process, providing the community with a direct opportunity to voice their priorities, concerns, and ideas for Frankfort's future.

The survey can be accessed online here: <https://www.surveymonkey.com/r/6G5MXK8>

"Community feedback is essential to the OCRA CDBG grant application," said Kimberly Black, Community Development Director for the City of Frankfort. "We need a broad representation of voices to help us constructively critique our community and determine what changes you want to see. This is your chance to directly influence where we focus our efforts and resources for positive change."

The deadline for completing the survey is **Saturday, November 1st**.

For residents who do not have easy access to the online survey, hard copies are available to be filled out at the following locations during regular business hours:

- Clerk Treasurer's Office (Old Stoney - 301 East Clinton Street)
- Mayor's Office (Old Stoney - 301 East Clinton Street)

The city encourages everyone to take a few minutes to complete the survey and help shape the next chapter for the City of Frankfort.
