Frankfort, IN – (February 24, 2026) – The Board of Public Works and Safety accepted the resignation of Don Stock, who has served as the Director of Planning and Housing Initiatives. The Board of Public Works formally accepted his resignation during its regularly scheduled meeting on Monday, February 23.

Stock has served in the city's administration for over five years, overseeing zoning updates, building services, and housing initiatives. He has contributed to zoning projects and the City's new Unified Development Ordinance (UDO).

"We are grateful for the commitment he brought to the Planning and Housing Department," said Mayor Judy Sheets. " We wish him the very best in his next chapter."
