

Frankfort Parks Department Opens New Pickleball and Tennis Courts

Frankfort, IN – The Frankfort Parks Department would like to welcome the community to TPA Park on Tuesday, August 1, 2023 at 2:00pm for the Ribbon Cutting of the Lester Paul Wainscott Tennis Courts (TPA Park – 1 Adrian Marks Drive, Frankfort) and new pickleball courts.

The Parks Department started the demolition of tennis courts in December of 2022 with Phase 1. Phase 2 began in late spring with Crenshaw Paving leveling the ground for new asphalt. The \$274,000 project is complete, with six pickleball and two tennis courts. The new court amenities include lighting, fencing, paint, nets, and signage.

“We knew there is a large presence for pickleball in Frankfort, and I am happy that we have added another great amenity to TPA Park for our community,” stated Mayor Judy Sheets. “We know the community will love this space. It is a great way to enjoy tennis and pickleball without being indoors.”

TPA Park is an 88-acre park with many activities for families and friends. Families can enjoy the playground, Sapphire Bay, The Commons Golf Course, new pickleball courts, and more. TPA Park closes daily at 11:00 pm.
