Frankfort Fire Department Press Release for the incident at the Frankfort High School Press Box
10/31/2023

Frankfort Fire Department responded to an active fire at the Frankfort High School Athletic Field at approximately 2115 on October 31, 2023. A passerby located nearby called in a report of a huge fire at the football field. Our units arrived and quickly made access to the press box that was fully involved at the time of arrival. Units attacked the structure defensively and had the fire under control at 2206. No firefighters or citizens were injured and the fire is currently under investigation. The Frankfort Fire Department will continue to update with any new details if they become available.
