

## City Paving starting Monday, March 21<sup>st</sup>

**Frankfort, IN** – Street Superintendent, Jason Forsythe, was given the green light by Reith Riley to start milling and paving Monday, March 21, 2022. Milling will begin on Freeman Street.

“If the weather holds out we should have it completed in 7 to 10 days,” said Forsythe. “I am ready to get these 23 projects started. I urge the community to be mindful and patient of the construction zones and to please drive slow in the road construction zones.” Please be aware if you have on-street parking. Cars will be towed if they aren’t moved when milling and paving work is being done.

Mayor Sheets, Board of Public Works members, and Street Superintendent Jason Forsythe approved the total of \$912,716.72 in December of 2021 for these street projects:
