

As we begin to close out 2022 and reflect back on all we have accomplished, it encourages me to dream bigger for Frankfort's future. There are so many projects we started in 2022 and will be completed in 2023, including the TPA Aquatic Center & the new Police Station. In 2022, the City of Frankfort was awarded grants for training to help our employees better serve the community. We were also awarded grant funding to better our infrastructure which will attract new developments and growth. We have already been busy working on plans for 2023, and I can't wait to create a better quality of life so our citizens can live, work, and thrive in Frankfort.

My hope is that you can gather with family and friends and take time out to enjoy life's moments this holiday season. Frankfort is blessed with so many amazing citizens that help create such a beautiful winter scene with community events, window paintings, to a picturesque downtown full of Christmas spirit. It has been a blessing to serve the City of Frankfort as your Mayor and I hope you are enjoying our vibrant small-town atmosphere that is so full of life.

Merry Christmas and Happy New Year!

God Bless,
Mayor Judy Sheets
