Frankfort, IN – City Council and Board of Public Works member Megan Sheets announced her retirement last month with a retirement date effective July 1, 2024. Councilwoman Sheets has served the Frankfort community in numerous capacities, from the executive director of United Way for Clinton County to the payroll specialist for the community schools of Frankfort. Megan served on multiple non-profit boards and civic organizations. Her most recent roles are on the City Council and as an appointed member by Mayor Judy Sheets on the Board of Public Works.

"It's a bittersweet moment," stated Mayor Sheets. "I will miss working with her and having her on the Board of Public Works. She is detail-oriented and always looks for different ways to accomplish projects and move our City forward. South Carolina is gaining an extraordinary person."

Megan Sheets will be moving to a familiar place that her family had frequently visited for family vacations in the past. "I am grateful to have served on the City Council and one of Mayor Sheets' appointments to the Board of Public Works these past four years," stated Megan Sheets.
